Course Structure and Terminology

The structure of Tigrent Learning UK courses has been designed by experts and investor/trainers offering preview (preview level), intermediary (basic three-day trainings) and advanced courses, coupled with mentorships, refresher courses, on and offline support as well as ongoing networking forums and events.

From previews to mentorships, a customer's experience is personal to their own circumstances and desired outcomes. Whilst customers are actively encouraged to 'take action' once they have defined a wealth creation strategy, an individual's success is based on his or her own view of success.

- **PREVIEWS:** A free overview made available to customers and their guests through events held in England, Scotland, Wales and Ireland. During previews, the mindset for success is also touched upon as well as a variety of investment vehicles.
- **BASIC TRAINING:** A three-day basic training offers customers an introduction into the fundamentals of a customer's individual wealth creation strategy, whether the chosen path is through property investment, financial instruments investing and/or entrepreneurship.

- **ADVANCED TRAINING:** Advanced Training offers customers over 10 advanced courses and one-to-one mentoring programmes, designed to provide a more in-depth level of understanding, to include: Asset Protection, Creative Finance, Auctions, Buy-to-Let, Lease Options, HMO's (Houses of Multiple Occupancy), Entrepreneurship, Self-Build, Commercial Property and Distressed Property

including

- **THE MENTORSHIP PROGRAMME:** Mentorship is Tigrent Learning UK's most specialised part of Advanced Training, comprising up to three day's activities whereby two individuals can utilize the knowledge, experience and professionalism of a full-time property investor within their chosen UK location. Here, the mentor will guide, support and help the investor source, buy, sell or refurbish properties in a chosen town or city, guided by the individual's particular strategy and chosen income-deriving vehicle
 - Ongoing on and offline support is also made available to Tigrent customers at advanced level
